COMPANY INFORMATION

MURDERING MICHAEL MALLOY

PRE-SALE

MURDERING MICHAEL MALLOY is a crime thriller based on the legendary true story that happened in the Bronx, New York in 1932. It is the tale of soon-to-be bankrupt saloon owner, Anthony Marino (Roth), who—along with a gang of his dim cohorts—devises a scheme to avoid financial ruin by taking a life insurance policy out on one of Marino's customers, a grizzled, aging alcoholic named Michael Malloy (Spall).

OPERATION TACO GARY'S

JUST RELEASED

When conspiracy theorist Danny (Rex) and his skeptical brother Luke (Milligan) set out on a cross-country road trip, they uncover a global plot that leads them to unassuming fast food chain Taco Gary's — only to discover it's the secret base of operations for an alien race intent on taking over the planet! While Luke grapples with the realization that his brother was actually right about everything, Danny convinces him that only together can they save Earth from total annihilation... and smug Hollywood celebrities.
