ABOUT ARCHSTONE

Archstone Entertainment is a financing, production, sales and distribution company focused on delivering high quality theatrical films and series to the worldwide audience.

It represents roughly a dozen films annually for worldwide sales and domestic distribution and produces and finances 2-4 films per year, focusing on theatrical and unique genre pictures.

Archstone has over 200 films in its library.

DARK HARVEST

A young Southern deputy returns to his childhood home to investigate a dark mystery surrounding the town and its sheriff. A growing number of missing persons reports, strange government men in black suits, and a GMO-riddled corn crop experiment, has the town in a hush, and the inquisitive deputy under its sinister and watchful eyes.

FALLING SHORT

Falling Short is about the future of mobility, starting with the rise of the most controversial auto-maker of our time: Tesla. Yet it's so much more than a story about a car company. It's about a future with all electric cars, autonomous cars, and cities that will be completely re-invented. It's about a future we've been talking about for decades.
